Dear Sirs,

I confirm that Fabienne Coupe was commissioned by us to carry out simultaneous interpreting for our client Chester City Council in the French/English language combination at the 'SUSTAINABLE PROMOTION OF ATLANTIC AREAS LEGACY CONFERENCE', that took place in Chester on 28 and 29 June 2007.

Fabienne provided total 20 hours' interpreting during the conference in a pair with another French/English interpreter covering the following subjects for discussion: Study of Best practice in Conservation, Place Marketing Strategies, Tactical Marketing, Leisure and Tourism Management, City Centre Management, Retail and Investment Opportunities, Future Sustainability of European Historic Cities, and Climate Change.'

We had a favourable feedback from our client regarding the work of the whole multilingual team of interpreters during the conference. I also had a positive feedback about Fabienne's work in particular from the French/English interpreter who worked closely with her in the same pair.

Fabienne is very professional, punctual and pleasant to work with.

Yours faithfully,

Zulphia Ginty (Mrs)
The Managing Director
